Full-Time Athlete Admissions Open House
February 1, 2014

Ski & Snowboard Club Vail (SSCV) hopes to spark a dream in young snowsports athletes which will provide them with a focus and teach them life lessons throughout their childhood, inspiring character growth and excellence at every turn. When this spark ignites, there is a need to provide youngsters with more time on snow along with more time developing the physical and mental attributes needed to achieve their dreams. This is where Ski & Snowboard Club Vail's full-time program along with its three academic partners, Vail Ski & Snowboard Academy, Winter Tutorial and Vail Mountain School come in.
