Once you have logged into MyUSSA, if the athlete you need is not linked to your account, or if the athlete is linked but the Athlete Event Registration icon does not appear when they are selected, then the athlete needs to be linked. To link an athlete, click on "link additional members"

Now just fill out the information and click Link Membership Account. If someone is linked twice, then you Remove Association on the right of the page to unlink the older link of the member.

Below the header, there are three text input fields: 'Member Last Name:', 'Member USSA ID#:', and 'Member Date of Birth:'. The 'Member Date of Birth:' field is a date picker with three dropdown menus for 'Month', 'Day', and 'Year'. At the bottom of the form, there is a red button with the text 'Link Membership Account'.

If you don't have a member linked to your account, you will have a page displayed as below. If you want the member to be the primary member of the account, then make sure the name is selected as below, otherwise use the default and the member will be added to the list of members.
