

## Volunteer Information

**Volunteers make a difference by contributing their time, energy, and talents to the causes they hold dear...**

Through the implementation of a simple, point-measured policy it is the goal of SSCV's Board of Trustees and staff that current members have greater involvement with the organization. Volunteerism positively benefits all of our athletes, keeps events local and reinforces the success of the overall program.

**The Eagle County and Colorado permanent resident discount are directly linked to SSCV Volunteer Requirements.**

Eagle County and Colorado families are fortunate to benefit from discounts which help offset the real cost of program fees. In exchange for this privilege, SSCV requires each family to complete a predetermined amount of volunteering through various duties/jobs. There are numerous opportunities, both on and off the snow, throughout the year at various times.

### **How does the program work?**

All families will be responsible for completing a certain number of "volunteer points" to be eligible for subsidies. Volunteer Points are earned by completing volunteer jobs which are assigned a specific number of points. The number of points required per family is based upon the athlete's program (in the case of multiple athletes, it will be the program in which has the highest point requirement). At time of enrollment and acceptance of a subsidy, each member will be asked to acknowledge the agreement to volunteer.

For more information on the volunteer program please visit our website at <http://skiclubvail.org/volunteer>

## Volunteer Opportunities
