SERVICES**

'MY SSCV' ACCOUNT

Every SSCV member has a 'MySSCV' account which you created to enroll your child with SSCV. Below are some helpful hints on how to navigate this account from your MySSCV Dashboard including snowsport program and camp enrollments, purchase of additional SSCV services, volunteer sign-up/point tracking, billing and payment status, technical services and travel account status along with related funding and much more.

Your MySSCV account is accessible from the top right corner of the SSCV website at www.skiclubvail.org. Click on the Login button and you will see your 'MySSCV' Dashboard as illustrated below. Please carefully read the below so you can easily navigate your MySSCV account and utilize these functions on an ongoing basis.

Forms & Documents

Here you can add additional SSCV services to your athlete's account through the Additional Options button including Technical Services and VSSA Training Table lunches. You can also complete online forms and print important documents.

Athlete Enrollment

This is where you sign(ed) up your child for the 2021-2022 season, including completing the athlete enrollment application, setting up related payment and signing all necessary releases. It is also where you enroll your child in camps and other SSCV athletic activities.

Update Addresses/Phone Numbers

Review and update your contact information and address to ensure you receive all club communications and other important information from staff and coaches as well as update emergency contact information.

Financial Management

Review and update your billing information for program fees and other payments due to SSCV (including credit/debit card or e-check information) as well as view financial statements and make payments.

View Technical Services and/or Travel Accounts

Review Technical Services and Travel Account transactions and fund these accounts. This is also where you view and pay for technical services and travel accounts. Athletes who frequently travel will receive more information on travel policies and procedures at a later date.

Login Details

Change your login e-mail address or password

Volunteer

View your volunteer history and family balance. Sign up for year-round volunteer opportunities to fulfill your volunteer requirement.

VOLUNTEER

Ski & Snowboard Club Vail cannot exist without the incredible support and dedication of all our members and friends! An invaluable way to support is through volunteering for events, competitions and fundraisers throughout the year.

SSCV Volunteer Requirements

SSCV requires every family to complete a predetermined amount of volunteering through various jobs. There are numerous opportunities, both on and off the snow, throughout the year.

How does the program work?

All families are responsible for completing a certain number of “Volunteer Points”. Volunteer Points are earned by completing volunteer jobs which are assigned a specific number of points as outlined [here](#). The number of points required per family is based upon the athlete’s program (in the case of multiple athletes in one family, it will be the volunteer points for the program of the athlete with the highest number of volunteer points). At time of enrollment, each member will be asked to acknowledge the agreement to volunteer. Contributions of \$5,000 or more on an unrestricted basis to SSCV's Annual Campaign make the volunteer commitment optional.

How do I Volunteer?

Log in to your “My SSCV” account on the top right of SSCV's website at www.skiclubvail.org. Once logged in, select the Volunteer button in your MySSCV dashboard. You will be able to select events from that page to sign up to volunteer at as well as see remaining points required to be fulfilled in order to complete your volunteer requirement. Volunteer opportunities will be added throughout the year, so check back in to see what is available. Questions? Email tmiletti@skiclubvail.org for on-snow volunteer opportunities and overall volunteer program questions. For off-snow volunteer opportunities contact sschmidt@skiclubvail.org.

If a family does not complete all of its volunteer obligations during the period from May 1, 2021 through April 30, 2022 and they are paying the CO Resident Program Fee in 2021-2022, then in 2022-2023 they will be required to pay the 2022-2023 Non-Resident Program Fee for the child whose program has the highest volunteer point requirement in 2022-2023. If a family does not complete all of its volunteer obligations during the period from May 1, 2021 through April 30, 2022 and they are paying the Non-Resident Program Fee in 2021-2022, then they will be required to pay an additional amount to SSCV by May 30, 2022 equal to 20% of the 2021-2022 Non-Resident Program Fee for the child whose program has the highest volunteer point requirement in 2021-2022.

Giving and Getting Involved

There are many ways to show your support “For the Kids.” by giving and getting involved. We very much appreciate your support.

Annual Campaign

SSCV is raising approximately 9% of its operating budget through the Annual Campaign, which amounts to \$670,000 this fiscal year. Through the generosity of our Annual Campaign donors SSCV is able to provide the level of quality commensurate to the needs and goals of all our athletes so they can become the best they can be. The costs of running a program include the following, to name a few: supporting an exceptional coaching staff, on snow safety measures including radios, netting and padding, professional development and continuing education, Gold Peak and Nordic grooming expenses, financial aid, van upgrades, insurance, trampoline center costs, Minturn Fitness Center facility support, building maintenance, and administrative infrastructure and support to run day to day business operations. We are striving for 100% member participation in the Annual Campaign members so please consider donating at a level that is personally meaningful to you.

Events Support

SSCV produces a number of special events that generate revenue for SSCV. Details to follow

Sponsorships

SSCV produces a number of events that are available for sponsorship. These events consistently attract a range of audiences including local families, community leaders, industry members and SSCV donors. Each event offers sponsors excellent exposure, and activation and benefits may be customized to suit the sponsor’s needs and the specific event. In addition to event sponsorships, underwriting opportunities are also available for certain SSCV events.

Learn More

Please contact SSCV Director of Advancement Sharon Schmidt at sschmidt@skiclubvail.org or 978-621-8738 for more information on giving and getting involved.

SSCV TECHNICAL SERVICES

SSCV Technical Services provides athletes with a reasonably priced, easily accessible resource for the highest quality equipment preparation for training and competition.

In addition to equipment tuning services, the shop at Golden Peak and Equipment Manager can assist with the following:

- Procuring test equipment for camps
- Assisting with equipment orders throughout the year
- Baselining equipment setup to SSCV norms
- Boot evaluation
- Sale of tuning equipment for athlete home and travel use
- Contact with industry vendors and local shops for post-sale service

Technical Services Menu

SSCV Technical Services offers a range of tuning programs, including annual service plans for an athlete's entire quiver of skis and a la carte services. Details available [here](#).

For additional information about SSCV Technical Services, reach out to Equipment Manager Paul Suomi at psuomi@skiclubvail.org.
