

2022-2023
SKI & SNOWBOARD CLUB VAIL
FINANCIAL AID APPLICATION

Financial aid is awarded based on financial need. Awards will be determined by School and Student Services (SSS) based on the information provided by completing the Parent Financial Statement (PFS) of the applicant. Also considered is the applicant's "Character, Courage & Commitment" and the family's volunteer history and commitment to the organization.

An athlete may be awarded up to 75% of all program fees for tuition to Ski & Snowboard Club Vail. Priority for the awarding of scholarships is Colorado Residents first and then Out of State Residents. Please note: scholarships are not available for Post Graduate Athletes or athletes who are from outside of Eagle and Summit counties who choose to live with a host family. Awards are weighted for Full-Time Program participants. For Colorado Resident applicants, merit may be considered if need is determined. Out of State applicants are required to demonstrate merit prior to being considered for need.
