Therefore please note when you start your enrollment process on or after June 1, 2022 that you are committing to a predetermined number of volunteer points to be completed between June 1- May 31 for the upcoming season. The work and dedication of our volunteers is essential to SSCV's ability to host events and offer quality programming at the most affordable cost possible. More information, including volunteer points, is available by clicking [here](#).

Failure to meet your obligation could result in an evaluation of your family's fit with the program and SSCV culture of volunteerism.

Financial Aid Awards:

Financial aid awards are available from SSCV to support up to 75% of program fees. Details, application and submission deadlines are available on the website by clicking [here](#). Upon submission, applications must be complete and on time in order to be eligible.

Payment Plans

- Payment plans begin as early as June 15, 2022 and run as late as December 15, 2022 to be paid in equal monthly installments. Payments are due on the 15th of each month. Based on the enrollment date, the payment amount will be divided equally over the number of months left in the calendar year until the December 15th payment date. In some cases, payment plans may require larger payments up front. You can select this option in the athlete application. Please note that there is a 4% finance fee for a payment plan by credit card and a 2% finance fee for a payment plan by e-checks (ACH debit). For any questions regarding payment, please contact Betsy Cuthbertson at bcuthbertson@skiclubvail.org or 970-790-5147.

It is strongly encouraged that you make your payments to SSCV via ACH or check. This saves the Club money on credit card processing fees - money that can be otherwise spent on items that support the athletes. However, all families are required to submit a credit card on file and authorize SSCV to charge this card in the event of non-payment.
